UM 1930 Stakeholders,

To give stakeholders and utilities more time to respond to previously-filed comments and file additional objections and comments on the Utility Combined PPA and Interconnection filings, Staff is extending the deadline for comments from March 6, 2020 to March 10, 2020. Comments and objections received after March 10, 2020 will not be considered in Staff's recommendation.

All stakeholders will have the opportunity to file additional comments in response to Staff's recommendation once Staff posts its Public Meeting Memorandum on March 20, 2020.

As a reminder, Staff asks that any comments, even those filed prior to the public meeting, be filed in UM 1930 with AHD.

Please feel free to contact me if you have any questions.

Thank you,

Jill Goatcher
