**RE: Advice 21-003 / UM 1930—Community Solar Program Purchase Agreement  
Revisions**

On January 11, 2021, PacifiCorp d/b/a Pacific Power (PacifiCorp or the Company) filed with the Public Utility Commission of Oregon (Commission) Advice 21-002<sup>1</sup> proposing revisions to both Schedule 127, Community Solar Program – Option Participation for Qualifying Customers (Schedule 127), and its Community Solar Program (CSP) Purchase Agreement. On January 21, 2021, Commission Staff contacted PacifiCorp requesting the Company resubmit these revisions as separate filings so Commission Staff could consider the issues individually.

At the request of Commission Staff, PacifiCorp submitted for filing in Advice 21-003 and docket UM 1930 the revised CSP Purchase Agreement originally filed on January 11, 2021, in Advice 21-002. In that filing PacifiCorp requested an effective date of February 24, 2021 for these proposed revisions. PacifiCorp submits this filing to modify the requested effective date for these proposed revisions to March 24, 2021, based on discussions with Commission Staff.
