Meeting ID: 895 7115 7752

Passcode: 5152705735

On July 16, 2021, the Staff of the Oregon Public Utility Commission provided recommendations for a proposed release of the 79 MW of capacity remaining in the Community Solar Program's (CSP) Initial Capacity Tier and accompanying CSP modifications to in order to better achieve program goals. Comments were received by several stakeholders regarding this proposal. A Special Public Meeting was held on August 26, 2021. At this meeting, the Commissioners engaged in discussion with Staff and stakeholders regarding Staff's proposal, and requested follow-up on certain program elements and proposed modifications.

Therefore, at this special public meeting, Staff will provide a brief presentation to address the requested follow-up. Following the Staff's presentation, the Commission may have final questions or requests for clarifications from Staff. Finally, the Commission will discuss and deliberate on whether to accept Staff's recommendations, modify Staff's recommendations, or make alternative modifications to the CSP.

If you have questions, please contact Christopher Allwein (971) 375-5058 or by e-mail: Christopher.Allwein@puc.oregon.gov.

Dated this 15th day of September, 2021, at Salem, Oregon.
