Purpose of Workshop

The Program began publishing monthly CSP project progress reports in April 2024.¹ Monthly reports can be accessed on the Oregon Community Solar Program website at:

<https://www.oregoncsp.org/monthly-reports/>

Staff intends the monthly reports to provide all parties with timely and updated information for tracking CSP project progress, with a focus on identifying and mitigating avoidable delays, increasing transparency and accountability, and improving Program performance. The monthly reports are also an important step in broader efforts to diminish additional project development and interconnection delays.

Staff hopes this workshop will provide all parties with an opportunity to provide feedback on the reports, ask questions and share insights to improve future reports. Staff will discuss the policy drivers for the monthly reports and describe their development. The CSP Program Administrator will also provide a walk-through of the most recent report. The remainder of the
