

Program Administrator's Project Recommendation

September 5, 2024

Community Solar Program - Docket No. UM 1930

On January 11, 2022, in Order No. 22-007, the Commission permitted the delegation of Commission authority to the Community Solar Program Administrator (PA) to grant noncontroversial project pre-certifications, waivers, extensions, and amendments. Under the permitted delegation of authority, Staff will post the PA's project recommendation to UM 1930 with a comment period of two weeks. If no comments in opposition are received prior to the end of the comment period, the recommendation will go into effect. If comments in opposition are received prior to the end of the comment period, the recommendation will not go into effect and the matter will be referred to the Commission for a decision at the next available public meeting.

Staff posts the PA's recommendation to grant a three-month Certification deadline extension for the following project:

PGE-2020-17 (Clayfield Solar LLC)

The PA has reviewed the project Certification deadline extension request and has recommended granting the extension. That extension request is included below. Staff finds the PA's recommendation to be noncontroversial and that granting the extension may be delegated to the PA. Stakeholders in opposition of the PA's recommendation should post comments to UM 1930 by September 19, 2024.

To Submit Public Comment:

Stakeholders can submit written comments on the PA's recommendation by email to puc.filingcenter@puc.oregon.gov. Please email puc.hearings@puc.oregon.gov to be added to the UM 1930 docket service list and receive notifications in the UM 1930 docket.

RE: Community Solar Program Extension of the Certification Deadline

Dear Program Administrator,

On behalf of Clayfield Solar PM, LLC (“Luminace”), as owner of the Project Manager listed below, we hereby submit this letter requesting an extension of the Certification period to correspond with the utility’s interconnection schedule.

Project	Project Manager
Clayfield	Clayfield Solar PM, LLC

This project is on track to achieve COD around August 11, 2024, however I am requesting a certification extension to allow for CEP to finish LMI verification. We are requesting a 90-day extension.

Current certification deadline: June 30, 2024

Requested extension certification deadline: September 30, 2024

Thank you for your consideration of our request for an extension. Please contact my colleague Julia Peacock at 301-775-9511 or Julia.peacock@luminace.com if you have any questions.

Sincerely,

Joshua Udler
Vice President
