

Program Administrator's Project Recommendation

August 22, 2022

Community Solar Program - Docket No. UM 1930

On January 11, 2022, in Order No. 22-007, the Commission permitted the delegation of Commission authority to the Community Solar Program Administrator (PA) to grant noncontroversial project pre-certifications, waivers, extensions, and amendments. Under the permitted delegation of authority, Staff will post the PA's project recommendation to UM 1930 with a comment period of two weeks. If no comments in opposition are received prior to the end of the comment period, the recommendation will go into effect. If comments in opposition are received prior to the end of the comment period, the recommendation will not go into effect and the matter will be referred to the Commission for a decision at the next available public meeting.

Staff posts the PA's recommendation to transfer the following project from the current Project Manager, Pacific Northwest Solar, LLC to Sheridan Solar, LLC:

PGE-2020-10 (Sheridan Solar)

The PA has reviewed the Project Manager's transfer request for the project listed above and has recommended granting the transfer. Staff finds the PA's recommendation to be noncontroversial and that granting the transfer may be delegated to the PA. Stakeholders in opposition of the PA's recommendation should post comments to UM 1930 by September 5, 2022.

To Submit Public Comment:

Stakeholders can submit written comments on the PA's recommendation by email to puc.filingcenter@puc.oregon.gov. Please email puc.hearings@puc.oregon.gov to be added to the UM 1930 docket service list and receive notifications in the UM 1930 docket.

Project Amendment Review and Recommendation

The Oregon Community Solar Program Administrator (PA) has reviewed the amendment request of the project described below and recommends that the project be transferred to Sheridan Solar, LLC.

Project Information

Project ID: PGE-2020-10

Project Name: Sheridan Solar

Project Manager: Pacific Northwest Solar, LLC

Subscription Manager: Pacific Northwest Solar, LLC

Utility Service Area: PGE

Project Site Address: 45.10238333N/123.41000000W

Project Size (kW-AC): 3,000

Carveout-eligible: No

Current Program Status and Date Achieved: Pre-certified, 05/25/2022

Project Description

Sheridan Solar is a 3,000 kW-AC project located in Sheridan, Oregon, in Yamhill County. Sheridan Solar is the first project submitted to the program by Pacific Northwest Solar. Pacific Northwest Solar has not yet identified a subscription manager for the project.

Review Summary

Date Review Completed: 08/11/2022

Nature of the Amendment Request: Project Manager Transfer

PA Recommendation: Approve

Review Notes

Pacific Northwest Solar LLC has requested that Sheridan Solar project be transferred to Sheridan Solar, LLC. Sheridan Solar, LLC is a project-specific LLC that remains under the ownership of Pacific Northwest Solar, LLC. As customer enrollment has not begun for these projects, no customers will be impacted by the transfer. The PA has no concerns with this amendment.
