### Desired Outcomes

1. Provide parties who did not submit written comments by the December 3, 2021, deadline an opportunity to share comments on Part 1 filings.
2. Provide parties who did submit written comment by the deadline an opportunity to highlight or emphasize any aspects of the written comments.
3. Surface and identify any substantive issues that parties have noted in the Part 1 filings.
4. Ensure Staff understands parties' concerns about any such substantive issues.

The Workshop is not the venue to debate or argue merits of parties' substantive issues; instead the focus will be to clarify understanding of any substantive issues.

### Background Information on DSP

PGE, Pacific Power, and Idaho Power filed Part 1 of their inaugural Distribution System Plans on October 15, 2021. Part 1 filings were required by [Order No. 20-485](#), which established DSP Guidelines. Utilities will file Part 2 of their Plans in August 2022.

Part 1 filings were included in Docket No. UM 2005, however separate dockets have been established for each utility Plan. Review, public comment, and Commission action will be conducted in these separate dockets:

Idaho Power – Docket No. [UM 2196](#), PGE – Docket No. [UM 2197](#), Pacific Power – Docket No. [UM 2198](#)
