

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2005

In the Matter of

Public Utility Commission of Oregon

Investigation Into Distribution System
Planning.

ANNOUNCEMENT OF JUNE 10
AND JUNE 11 WEBINAR
AGENDAS

Staff announces the agendas for the **June 10** (webinar number nine) and **June 11** (webinar number ten) webinars of the New Opportunities stage of the Investigation into Distribution System Planning, Docket No. UM 2005.

The agendas include speaker bios and presentation abstracts, and the links to register for each session (**registration links are also included below**). The presentation slides will be posted as soon as possible.

View the **June 11** agenda here:

<https://www.oregon.gov/puc/utilities/Documents/DSP-Webinar10-Agenda.pdf>

These sessions will consist of an overview of the Public Utility Commission policies and practices likely related to Distribution System Planning including:

- Interconnection Transparency and Planning,
- Smart Grid Report,
- Integrated Resource Planning,
- Transportation Electrification Plan,
- Public Purpose Charge.

Staff hopes Stakeholders are able to review the agendas and slides (once available) to consider questions and points of discussion.

While the docket will continue to retain all official records, Staff has created a separate webpage to present information on the webinar series in a single, convenient, location. This information includes the webinar series schedule, webinar agendas, a link to submit questions, and links to view recorded webinar sessions.
