## Background

Current DSP Guidelines were adopted by the Commission in December 2020 through [Order No. 20-485](#). PGE, Pacific Power, and Idaho Power filed Part 1 of their inaugural Distribution System Plans on October 15, 2021. The utilities then filed Part 2 of their Plans on August 15, 2022. The Commission accepted both filings from each utility. The following table includes links to each utility’s respective dockets, filings, and Commission Orders.

Utility and Docket No.	DSP Part 1 filing	Commission Order	DSP Part 2 filing	Commission Order
