Phone Conference ID: 315689702#

1. Welcome

2. Stakeholder discussion

Conversation about stakeholders' key areas of interest, important issues, and priorities. Areas of agreement and disagreement with E3's December 15, 2020 Principles of Capacity Valuation Report and Staff's January 14, 2021 Opening Comments. There is not a slide deck for this workshop, instead please be prepared to share your reaction to E3's Report and Staff's Opening Comments.

How much capacity can a resource provide?

- tradeoff of ELCC model accuracy versus complexity

What is the value of capacity?

- defining the resource sufficiency/deficiency periods
- capacity value during the resource sufficiency period
- capacity value during the resource deficiency period

General principles

- last-in ELCC for procurement decisions
- LOLP values differing year-by-year
- utility-specific capacity contribution values
- grouping resources into 'libraries' of similar characteristics

3. Next steps

Discuss Staff's proposed schedule:

Stakeholder comments re: E3 Report/Staff Comments	March 8
Workshop re: comments	March 17
All-party reply comments	April 19
Workshop re: reply comments	April 27
The remainder of the schedule to be determined at a future time
