## **UM 2111 Interconnection Modernization Process – Schedule Update**

This letter announces a change in target date for opening the formal rulemaking process in UM 2111. As discussed in the UM 2111 workshops, Staff was originally targeting the July 25, 2023, Public Meeting to request opening the formal rulemaking process. Staff is continuing to work with stakeholders in the docket, trying to reach consensus on the remaining issues. As such, Staff is now targeting the August 22, 2023, Public Meeting to bring the issue before the Commission.
