

October 22, 2024

UM 2111/AR 659 Schedule Announcement

Following the interconnection rule changes in AR 659, each utility filed a revised Small Generator Interconnection Agreement (SGIA) to reflect the updated Commission policies. The filings can be found here: [PGE](#), [Idaho Power](#), and [PacificCorp](#).

Staff plans to bring the revised SGIA's to the regular public meeting on December 10, 2024, for Commission approval and requests that any comments on the revised SGIA's are provided by November 6, 2024. If any utility wishes to reply, Staff requests those reply comments are provided by November 20, 2024.

Event	Date
Stakeholder Comments	November 6
Utility Reply Comments	November 20
Target Public Meeting	December 10

Written comments from stakeholder organizations can be submitted to puc.filingcenter@puc.oregon.gov.
