Re: Docket UM 2143 – Investigation into Resource Adequacy in Oregon - Idaho Power Company's Electric Generator Initial Informational Filing

Attention Filing Center:

Attached for electronic filing is Idaho Power Company's electric generator initial informational filing in the above-referenced proceeding. Idaho Power previously submitted this information under a protective order as part of Northwest Power Pool's Western Resource Adequacy Program. This confidential submission to the Commission contains sensitive, non-public information and is exempt from public disclosure under OAR 860-001-0070.

The information is being provided in two separate workbooks due to the voluminous nature of the data.

Please contact me at (208) 388-2872 or by email with any questions regarding this filing.

Very truly yours,

Alison Williams
