On April 4, 2022, Staff of the Public Utility Commission of Oregon released a [straw proposal](#) for the threshold issues related to where the Clean Energy Plan will fit in the planning landscape. The purpose of this workshop is to explain the straw proposal, answer questions, and discuss improvements or alternative proposals in preparation for the May 10, 2022, comment opportunity.

## **Welcome (9:30a)**

### **Staff presentation (9:40a)**

*Staff will review its proposal and explain why it has identified its two planning framework pathways.*

### **Questions and feedback (10:00a)**

*Staff will take clarifying questions first, followed by an opportunity to identify improvements or alternative approaches.*

### **Next steps (11:15a)**

*Staff will review the next steps in the Planning Framework work stream and overall work plan. Questions about the UM 2225 work plan are welcome.*
