UM 2225 – Investigation into Clean Energy Plans Workshop Schedule Announcement

Dear UM 2225 Participants:

Please hold the following dates and times for workshops in the Clean Energy Plan Investigation. Dates and times extend into October to remain prepared and adaptable to changing process needs. Staff is working on an overall process and schedule update that takes into account progress and learnings identified to date and will release that shortly. However, we want to make sure the dates for workshops are provided as soon as possible so participants can hold the time and flag scheduling issues.
