**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

In the Matter of

UM 2225

House Bill 2021 Investigation into Clean
Energy Plans

ROGUE CLIMATE'S
REQUEST FOR APPROVAL OF AMENDED
BUDGET; AND
REQUEST FOR FINAL PAYMENT OF HB
2475 FUNDING GRANT

Pursuant to Order 23-013 (January 30, 2023) Rogue Climate (RC) is eligible for a funding in the amount of \$10,350.00 from the Interim HB 2475 Intervenor Fund, as that order approved the proposed budget submitted in September, 2022.

A. Request for Approval of Amended Budget

The September 2022, proposed budget anticipated 65 hours of staff time and 2 hours of representation time. Additional time/expenses have been incurred: 1) 3.5 hours of staff time; and 2) 3.4 hours of representation time. RC requests approval of the amended budget as set forth in Attachment A for a total amount of \$11,865.00.

B. Request for Payment

As stated in the interim agreement approved in Order No. 22-043, to receive payment for a grant fund approved, a grantee must submit a request for payment to the Commission and serve

the relevant Utilities. The request for payment must: 1) itemize the expenses, payees and hourly rates; 2) demonstrate that the expenses are reasonable and directly attributed to the issues pursued and consistent with the proposed/approved budget; and 3) specify if the requested payment is for a progress payment or final payment.

RC submits herewith directly to the commission and relevant Utilities a confidential statement of itemized expenses which includes the hourly rates and time directly attributed to the issues and positions pursued consistent with Rogue Climate's approved and proposed amended budget for eligible expenses incurred since January 1, 2022. The itemized report is designated Attachment B.

The expenses incurred are reasonably and directly related to the issues and positions RC addressed in UM 2225 on behalf of environmental justice residential customers of PacifiCorp and Portland General Electric, as further indicated in the time descriptions listed in Attachment B. This request seeks a final full payment for the expenses incurred in UM 2225, attributing half to each Utility.

This 9th day of March, 2022
