## UM 2225 Investigation into Clean Energy Plans Schedule Announcement

After reviewing comments on Staff’s Roadmap Acknowledgment proposals for annual updates and non-acknowledgement/partial acknowledgement, Staff believes that it will be most constructive to release its draft Clean Energy Plans (CEP) procedural rules after the October 4, 2022 Public Meeting discussion.

Staff has also received requests to extend the comment deadline on Staff’s Analytical Improvements proposal. Staff’s revised docket schedule is below:
