UM 2225 Clean Energy Plan Investigation Community Lens Workshop Announcement

OPUC Staff is planning two initial workshops in the Community Lens work stream¹. Please hold the follow dates and times:

June 2, 2022 (1p-4p): Introduction to Community Benefits Methods Webinar

Education focused webinar to begin developing shared learnings about national trends in community benefits valuation methodologies and implementation approaches. Webinar recording will be made available.

June 15, 2022 (1p-4p): Introduction to Resiliency Planning Workshop

Education and discussion focused workshop to share and discuss USDOE background materials gathered and the pathway to develop recommendations for “reasonable and prudent industry resilience standards and guidelines.”

Detailed agendas to follow.

If you have questions about this announcement, please contact:

Caroline Moore at caroline.f.moore@puc.oregon.gov or 503-480-9427.

To receive meeting notices and agendas for this docket, send an email to puc.hearings@puc.oregon.gov, and ask to be added to the service list for Docket No. UM 2225. You will then receive emails with workshop details, when new documents have been added to the docket, or there is a change to the schedule.

¹ Details about the Community Lens work stream are available in the [Investigation Work Plan](#).
