**Subject:** Climate Solutions - proposed arguments in UM 2273

Judge Mellgren,

I know that Carra Sahler at GEI has submitted a proposal for coordinated arguments at the September 21 hearing.

Just so you are hearing from us individually as a party, we propose to address continual progress and the policy statements, as reflected in GEI's proposal.

In addition, we also wish to make one brief process oriented argument.

Thank you,

Joshua Basofin | Clean Energy Policy Manager
