Docket No. UM 2362: PGE 2024 Distribution System Plan

Staff had originally proposed to complete the review process for the Portland General Electric (PGE) [2024 Distribution System Plan](#) (Docket No. UM 2362) at the public meeting on June 24, 2025. Due to competing priorities and shared resources focused on the wildfire mitigation plans Staff proposes extending the schedule for review of the 2024 DSP through the summer with conclusion at the September 16, 2025, public meeting.

Staff proposes the following revised schedule for review of the filing:

Activity	Date
Public Comment Period on 2024 DSP	May 1 – June 13, 2025
Staff Comments published to the docket	June 13, 2025
PGE Reply Comments published	July 11, 2025
Staff's Memo published	September 9, 2025
Commission consideration of 2024 DSP at public meeting	September 16, 2025

Background

Current DSP Guidelines were adopted by the Commission in November 2024 through [Order No. 24-421](#). The following table includes links to PGE's plans, dockets, and Commission Orders.
