**LEGAL NOTICE Opportunity to Provide Scoping Comments**  
**Crescent Creek Wild and Scenic River EA and Management Plan**  
 Crescent Ranger District, Deschutes National Forest

The Crescent Ranger District is seeking scoping comments on a proposed Management Plan and Environmental Assessment (EA) to protect and enhance the special qualities of the Wild and Scenic River segment of Crescent Creek. Crescent Creek is a perennial stream that is a tributary of the Little Deschutes River. Crescent Creek was designated by Congress as a Wild and Scenic River as part of the Omnibus Oregon Wild and Scenic Rivers Act of 1988. The designated area includes 10 miles, beginning at the outlet of Crescent Lake and ending at the Forest Service boundary at the Crescent Cut-Off Road (Rd 61). Approximately six of the ten miles of Crescent Creek

Legal Notices

Under the 2012 Planning Rule, the Responsible Official must determine what substantive provisions of 36 CFR 219.8 through 219.11 apply to the project. At this point in the development of the Crescent Creek Wild and Scenic Management Plan, it is anticipated that under the Multiple Use category at 36 CFR 219.10 (v) *Protection of designated wild and scenic rivers as well as management of rivers found eligible or determined suitable for the National Wild and Scenic River system to protect the values that provide the basis for their suitability for inclusion in the system would apply.*

This action is subject to the objection procedures at 36 CFR 219, Subpart B-Pre-Decisional Administrative Review Process. Individuals and entities who have submitted substantive formal comments related to this proposed plan amendment during one of the opportunities for public participation will have standing to file an objection to the draft decision, issued at a later date, pursuant to 36 CFR 219.53.
