4 In the Matter of

5 ASPEN LAKES UTILITY COMPANY,

STATUS REPORT

6 Advice No. 19-1; Request for a General Rate
7 Revision.

8 On November 15, 2019, Staff filed a status report in this case indicating progress made
9 by the parties regarding the settlement of revenue requirement issues in this case, and the need to
10 continue settlement discussions in order to resolve rate spread and rate design issues. On
11 December 13, 2019, Administrative Law Judge Allwein issued a ruling directing the parties to
12 file a status report on or before December 31, 2019 updating on the progress of settlement
13 discussions or alternatively asking that a prehearing conference be set.

14 Since that time, the parties have continued to exchange information and work on
15 finalizing settlement of the issues in this proceeding; however, given the relatively short period
16 of time before the end of the tariff suspension period in this case and the complexity of issues left
17 to address, the parties propose to schedule a prehearing conference as soon as practicable in
18 January 2020 in order to set a procedural schedule in this case.

19
20 DATED this 30th day of December, 2019.

21 Respectfully submitted,

22 ELLEN F. ROSENBLUM
23 Attorney General
