Re: UW 194– Update on Settlement

On July 17, 2023, ALJ Allwein suspended the procedural schedule for UW 194. Staff of the Oregon Public Utility Commission of Oregon (Staff) submits this status report in compliance with that ruling.

Crooked River Ranch Water and Staff (collectively the Stipulating Parties) have reached a comprehensive settlement covering all issues in this docket. Additional parties to this proceeding, Todd Hill, Barbara Oakley, and Jeff Murtaugh, representing themselves; and Bob Beveridge, Randy Peterson, Julia Randell, representing the Crooked River Ranch Homeowners Association (collectively, the Intervenors) have chosen not to join this Stipulation, but have also confirmed with the Stipulating Parties that they do not oppose the Stipulation. Currently the Stipulations and Declarations are being circulated for signature. Staff anticipates filling those documents later this week.

Sincerely,

/s/ Natascha Smith

Natascha Smith,
Assistant Attorney General
Business Activities Section
