Docket No. UM 1182

Paragraph 10(e) information:

As of November 5, 2012, I have no current or expected consulting business, either within or without the utility and power generation sectors. As for past business, between 1988 and 1992, I represented Pacific Gas & Electric Company on a civil litigation doing discovery work. From 1992 to 1997, I was a staff counsel at the California Public Utilities Commission. From 1997 to 2000, I was a Board member of the California Independent System Operator. From 1997 to 2000, I was employed by Bechtel Enterprises on infrastructure projects, including generation projects in which they held an ownership interest, outside of California. Between 2001 and 2003, I was a consultant to utilities on regional transmission subject matter. This summarizes my past consulting or advisory relationships, and it is my opinion that no commercial value would accrue to me and arise from these past relationships by virtue of the knowledge gained pursuant to this proceeding and protective order.
