9 Staff of the Public Utility Commission of Oregon (staff) asks the Administrative Law  
10 Judge (ALJ) to adopt a new schedule to complete Docket No. UM 1452 and to extend by seven  
11 days the final date for public comments in AR 538 (from January 22, 2010 to January 29, 2010).  
12 Staff and the other parties participating in a workshop in these dockets on January 6, 2010,  
13 discussed staff's proposed schedule in UM 1452 and schedule modification in AR 538 and no  
14 party objected.<sup>1</sup> Because the next procedural event in the proposed UM 1452 schedule will occur  
15 in six days, staff asks for expedited consideration of this motion.

16 On December 18, 2009, the ALJ granted staff's motion to suspend the procedural  
17 schedule originally established in the docket to give the parties opportunity to assess  
18 jurisdictional issues identified in comments previously filed by one of the parties to UM 1452 and  
19 discussed in a memorandum drafted by staff counsel and distributed to all parties to UM 1452 and  
20 AR 538. The parties to UM 1452 and AR 538 were invited to a workshop on January 6, 2010, at  
21 which the participating parties discussed the schedules in both dockets. Staff presented the

9 Staff also proposed that the final date for public comment in Docket No. AR 538 be  
10 extended by one week, from January 22, 2010 to January 29, 2010, so the final date for public  
11 comment in AR 538 coincides with the date for simultaneous closing comments in UM 1452.

12 As noted above, none of the parties participating in the workshop objected to the  
13 proposed schedule and schedule modification proposed above.

#### 14 CONCLUSION

15 For the foregoing reasons, staff asks that the ALJ adopt the proposed schedule in UM  
16 1452 and extend the final date for public comment in AR 538 by seven days, from January 22,  
17 2010 to January 29, 2010. Because Simultaneous Opening Comments in UM 1452 will be due  
18 six days from the date of this motion, staff asks for expedited consideration of this motion.

19 DATED this 8th day of January 2010.

20 Respectfully submitted,

21 JOHN R. KROGER
