**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

DOCKET NO. LC 50

In the Matter of IDAHO POWER COMPANY 2009 Integrated Resource Plan.		MOTION FOR EXTENSION OF TIME TO RESPOND TO MOTION FOR CONTESTED CASE HEARING [EXPEDITED CONSIDERATION REQUESTED]
---	--	---

Portland General Electric (“PGE”) hereby moves for an extension of time to respond to the Motion for Contested Case Hearing on Acknowledgment of Boardman-Hemingway Transmission Line in IPC Least Cost Plan which was filed by Move Idaho Power and Nancy Peyron on March 2, 2010 (“MIP Motion”). In an email sent to the parties on March 3, 2010, the ALJ indicated that the due date for responding to the MIP Motion is March 9, 2010. Generally under OAR 860-013-0050 (3) (d) parties have 15 days from service of a motion to submit a written response to the motion. Although an ALJ can provide for a shorter time in which to respond, we believe that given the significance of this motion to the conduct of Integrated Resource Plan proceedings, the parties should be allowed at least 15 days with which to respond. Accordingly, PGE requests that the ALJ extend the time for responses to the Motion to March 16, 2010.

Since the current deadline is less than a week from today, expedited consideration of this motion is requested.

DATED this 5th day of March, 2010.

Respectfully submitted,

Denise Saunders BY CSM
