**Re: Docket No. PCN 5 – In the Matter of Idaho Power Company’s Petition for Certificate of Public Convenience and Necessity.**

Dear ALJ Mellgren,

Idaho Power Company (“Idaho Power”) requests a one-day extension of time to file the Testimony of Dr. Jeffrey Ellenbogen—who will be responding to Greg Larkin’s testimony regarding the impact of corona noise associated with Boardman to Hemingway Transmission Line Project (“B2H”) on his health. Idaho Power requires this extra 24 hours to apply the appropriate care to produce the redactions to Dr. Ellenbogen’s testimony, consistent with the ALJ’s Ruling of February 17, 2023.

Idaho Power has sought to confer with Mr. Larkin this morning regarding this request but has not yet heard back from him.

Idaho Power requests expedited consideration of this request.

Respectfully submitted,

---
