Subject: OPUC Docket PCN 5 extension request

To Whom it may Concern,

This request is delayed due to a 7.5 hour internet connection loss yesterday, (another repercussion of the wildfire from 2020) I am requesting an extension to amend my opening testimony due to the timing of my Intervener request and filing opening testimony. In an effort to complete the testimony and meet the Feb. 1st 3:00pm deadline, I rushed not knowing if I would be granted an extension. If granted, my testimony will include exhibits and a more complete message. Thank you for your consideration.

Sincerely,
Wendy King
