On August 17, 2006, the Administrative Law Judge issued a Ruling setting August 21, 2006, as the date by which a stipulation regarding the RVM portion of this docket, along with supporting filings, was to be filed. It has taken longer than anticipated to get this stipulation filed with the Commission. The stipulation is now complete and filed herewith, along with a joint brief in support of the stipulation. PGE requests that the ALJ allow the filing of the stipulation and testimony today, and not change any of the other previously set dates for dealing with this RVM Stipulation.

The stipulation has been signed by all parties that participated in the RVM settlement conference. PGE is not aware of any party that intends to oppose this stipulation, so does not believe any party will be prejudiced by allowing this late filing.

**CONCLUSION AND EXPEDITED CONSIDERATION REQUEST**

For the reasons discussed above, PGE requests that the Administrative Law Judge issue an order allowing the late filing of the Direct Access Stipulation and supporting joint testimony. Since the deadline for filing has passed, and there is a deadline for objecting to the stipulation set for September 11, 2006, expedited consideration of this motion is requested.

DATED this 24<sup>th</sup> day of August, 2006.

Respectfully submitted,

/S/ DOUGLAS C. TINGEY
