Re: UE 203 - In The Matter of IDAHO POWER COMPANY 2008 Annual Power Cost Update, October Update

Dear Judge Kirkpatrick:

Idaho Power is writing to request a change to the schedule adopted at the prehearing conference. The current schedule calls for the Company to file its March Forecast on March 2. However, after agreeing to this date, the Company realized that the final NW River Forecast, which serves as the basis for the filing, is not published until about the 7th or 8th of the month. Allowing time for the Company to process the information, we believe that the date for filing the March Forecast should be moved to March 20th.

Staff has no objection to this schedule change.

Thank you for your attention to this matter. And New Year.

Very truly yours,

A handwritten signature in black ink, appearing to read "Lisa Rackner".
