Attorneys for Oregon Industrial Customers of Idaho Power

BEFORE THE
PUBLIC UTILITY COMMISSION OF OREGON

IN THE MATTER OR IDAHO POWER'S
2010 ANNUAL POWER COST UPDATE

)
) UE 214
)
) UNOPPOSED JOINT MOTION TO
) EXTEND FILING DATE FOR
) INTERVENOR AND STAFF
) TESTIMONY ON RATE SPREAD
)

The Oregon Industrial Customers of Idaho Power ("OICIP") hereby file this joint motion requesting an extension of the filing date set for Staff and Intervenor testimony on rate spread in Idaho Power Company's Annual Power Cost Update to February 16, 2010. Staff and the Citizens Utility Board ("CUB") join in this motion, and Idaho Power Company does not oppose this motion.

Pursuant to Administrative Law Judge Patrick Power's order dated January 14, 2010, the current filing date for Staff and Intervenor testimony on rate spread is February 8, 2010. The parties participated in workshops on the rate spread methodology on December 29, 2009, and on January 28, 2010. At the January 28 workshop, CUB, Staff, and OICIP reached agreement as to a proposed change to the rate spread methodology. Idaho Power Company determined after the January 28 workshop that it will not oppose that methodology. CUB, Staff, and OICIP now plan to file joint testimony on rate spread. Extending the filing date for the rate spread testimony to February 16 will provide CUB, Staff, and OICIP adequate time to prepare the testimony. Idaho Power does not oppose this request for an extension of the filing date for that testimony. Because no party opposes the extension for filing of rate spread testimony, extending the filing date will not adversely affect any party to this proceeding.

This joint motion is fully submitted for a ruling as of today because no party opposes it.

Respectfully submitted this 4th day of February 2010.
