<hr/>		<i>[Expedited Consideration Requested]</i>

Pursuant to OAR 860-001-0420(5), the Oregon Citizens' Utility Board (CUB) hereby moves to request leave to file a reply to PacifiCorp's anticipated response to CUB's motion to admit pre-filed testimony and exhibits. Under OAR 860-001-0420(5), a "moving party is not permitted to file a reply to a response to a procedural motion unless permitted by the ALJ." At the evidentiary hearing in this matter, PacifiCorp indicated its intent to object to the inclusion of exhibit CUB/500 into the administrative record. Since PacifiCorp has indicated its intent to object to CUB/500, CUB reasonably anticipates PacifiCorp will file a response to CUB's motion to admit its pre-filed testimony and exhibits to the record. Therefore, CUB requests leave to file a reply to PacifiCorp's anticipated response. CUB believes it may be prejudiced if the Oregon Public Utility Commission (Commission) denies this motion, as it believes CUB/500 provides significant probative value to the Commission to the relevant issue in this proceeding. Enabling CUB to file a reply to PacifiCorp's anticipated response will ensure the Commission has a robust record to determine whether CUB/500 should be included in the record. Since CUB's motion to admit pre-filed testimony is due September 17, 2020, expedited consideration is respectfully requested.

Dated this 17th Day of September, 2020.

Respectfully Submitted,
