Re: Docket UG 344 – NW Natural’s Revised Modified Protective Order

Dear Judge Rowe:

On December 21, 2017, NW Natural filed a motion seeking entry of a modified protective order (“MPO”) for its general rate case in docket UG 344. The MPO has not yet been issued, and NW Natural proposes to replace the proposed MPO filed on December 21, 2017 with the attached revised MPO (“Revised MPO”). NW Natural has conferred with the anticipated parties to this docket, Staff, the Oregon Citizens’ Utility Board, and the Northwest Industrial Gas Users, and those parties have no objections to the changes included in the Revised MPO. Accordingly, NW Natural requests entry of the attached Revised MPO.

The Revised MPO includes revisions to Paragraphs 5 and 7 of the MPO to address the treatment of Highly Confidential Information in electronic spreadsheets/models that may be shared in discovery or filed in this proceeding. The revisions are set forth in the underlined text below:

5. Each page of a document containing Protected Information filed with the Commission or provided to Qualified Persons under this order (as defined in Paragraph 14) must be printed on yellow paper and placed in a sealed envelope or other appropriate container. Each page of a document containing Highly Confidential Information filed with the Commission or provided to HC Qualified Persons under this order (as defined in Paragraph 18) must be printed on green paper, or for electronic spreadsheets or models, will be provided on a read-only compact disc, and placed in a sealed envelope or other appropriate container. Only the portions of a document that fall within the above definitions may be placed in the envelope/ container. The envelope/container must bear the legend:

THIS ENVELOPE IS SEALED UNDER ORDER NO. AND CONTAINS [PROTECTED/HIGHLY CONFIDENTIAL] INFORMATION. THE INFORMATION MAY BE SHOWN ONLY TO [HC] QUALIFIED PERSONS AS DEFINED IN THE ORDER ELIGIBLE TO RECEIVE [PROTECTED/HIGHLY CONFIDENTIAL] INFORMATION.

7. Protected Information disclosed by a designating party to a Qualified Person through informal discovery or by means of the Commission's Huddle website will be marked "Protected Information" and uploaded to a file folder designated "confidential" in Huddle, if applicable. Highly Confidential Information will be provided in hard copy only, or for electronic spreadsheets or models, will be provided on a read-only compact disc, and may not be duplicated, uploaded to the Commission's Huddle website, or otherwise distributed electronically. Highly Confidential Information provided on a compact disc may be accessed from that disc only, and may not be saved to any computer, server, or uploaded to any website. Any discs containing Highly Confidential Information must be stored as described in Paragraph 6.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Jocelyn Pease

in Docket UG 344

January 3, 2018

MODIFIED PROTECTIVE ORDER
DOCKET NO. UG 344

Scope of this Order

1. This order governs the acquisition and use of “Protected Information” and “Highly Confidential Information” produced or used by any party to these proceedings.

Designation of Protected Information and Highly Confidential Information

2. Any party may designate as Protected Information any information the party reasonably determines:
 - (a) Falls within the scope of ORCP 36(C)(7) (a trade secret or other confidential research, development, or commercial information); and
 - (b) Is not publicly available.
3. Any party may designate as Highly Confidential Information any information the party reasonably determines:
 - (a) Falls within the scope of ORCP 36(C)(7) (a trade secret or other confidential research, development, or commercial information);
 - (b) Is not publicly available; and
 - (c) Is extremely commercially sensitive information that cannot be disclosed even under the Commission’s normal protections for Protected Information.
4. To designate information as Protected Information or Highly Confidential Information, a party must place the following legend on the material:

[HIGHLY CONFIDENTIAL/PROTECTED] INFORMATION
SUBJECT TO MODIFIED PROTECTIVE ORDER

The party should make reasonable efforts to designate as Protected Information or Highly Confidential Information only the portions of the information covered by the above definitions.

5. Each page of a document containing Protected Information filed with the Commission or provided to Qualified Persons under this order (as defined in Paragraph 14) must be printed on yellow paper and placed in a sealed envelope or other appropriate container. Each page of a document containing Highly Confidential Information filed with the Commission or provided to HC Qualified Persons under this order (as defined in Paragraph 18) must be printed on green paper, or for electronic spreadsheets or models, will be provided on a read-only compact disc, and placed in a sealed envelope or other appropriate container. *Only the portions of a document that fall within the above definitions may be placed in the envelope/ container.* The envelope/container must bear the legend:

THIS ENVELOPE IS SEALED UNDER ORDER NO. _____
AND CONTAINS [PROTECTED/HIGHLY CONFIDENTIAL]
INFORMATION. THE INFORMATION MAY BE SHOWN
ONLY TO [HC] QUALIFIED PERSONS AS DEFINED IN THE
ORDER ELIGIBLE TO RECEIVE [PROTECTED/HIGHLY
CONFIDENTIAL] INFORMATION.

6. The Commission's Administrative Hearings Division, Commission Staff, and other parties must store Highly Confidential Information in a locked room or cabinet dedicated to the storage of Highly Confidential Information.
7. Protected Information disclosed by a designating party to a Qualified Person through informal discovery or by means of the Commission's Huddle website will be marked "Protected Information" and uploaded to a file folder designated "confidential" in Huddle, if applicable. Highly Confidential Information will be provided in hard copy only, or for electronic spreadsheets or models, will be provided on a read-only compact disc, and may not be duplicated, uploaded to the Commission's Huddle website, or otherwise distributed electronically. Highly Confidential Information provided on a compact disc may be accessed from that disc only, and may not be saved to any computer, server, or uploaded to any website. Any discs containing Highly Confidential Information must be stored as described in Paragraph 6.
8. A party may designate as Protected Information or Highly Confidential Information any information previously provided by giving written notice to the Commission and other parties. Parties in possession of newly designated Protected Information or Highly Confidential Information must make reasonable efforts to ensure that all copies of the material containing the information bear the above legend if requested by the designating party.
9. A designating party must make reasonable efforts to ensure that information designated as Protected Information or Highly Confidential Information continues to warrant protection under this order. If designated information becomes publically available or no longer falls within the scope of ORCP 36(C)(7), the designating party should make reasonable efforts to remove the designation and provide written notice to the Commission and other parties.

Challenge to Designation of Protected Information or Highly Confidential Information

10. A party may informally challenge any designation of Protected Information or Highly Confidential Information by notifying the designating party. Once notified, the designating party bears the burden of showing that the challenged information is covered by the applicable definition in this Order. Any party may request that the ALJ hold a conference to help resolve disputes about proper designation.
11. If the dispute cannot be resolved informally, the challenging party may file a written objection with the Administrative Law Judge ("ALJ"). The objection need only identify the information in dispute and certify that reasonable efforts to achieve informal resolution have failed.
12. Within five business days of service of the objection, the designating party must either remove the protected designation or file a written response. A written response must identify the factual and legal basis of how the challenged information is protected under the

Oregon Public Records Act, ORS 192.410 *et seq*, or the Uniform Trade Secrets Act, ORS 646.461(4). Broad allegations unsubstantiated by specific facts are not sufficient. If the designating party does not timely respond to the objection, the Commission will remove the designation from the challenged information.

13. The challenging party may file a written reply to any response within five business days of service of an objection. The designating party may file a sur-reply within three business days of service of a response. The ALJ will make all reasonable efforts to resolve the matter within 10 business days of service of the last filing.

Access to Protected Information

14. Only persons qualified to receive Protected Information in accordance with Paragraphs 15-17 below (“Qualified Persons”) may access Protected Information designated by another party under this Modified Protective Order.

A party must identify all these persons in section 2 of Appendix B when consenting to be bound by the order, and must update this list throughout the proceeding to ensure it accurately identifies Qualified Persons.

17. A party bound by the Modified Protective Order may seek to qualify other persons to access Protected Information by having those persons complete and sign Appendix C, and submitting that information to the Commission and all parties. Within five business days of receiving a copy of Appendix C, the designating party must either provide the requested access to Protected Information or file an objection under Paragraph 24 and 25.

Within five business days of receiving a copy of Appendix E, the designating party must either provide the requested access to Protected Information or file an objection under Paragraphs 23 and 24.

22. For each person bound under Paragraphs 20 and 21, counsel for the party sponsoring the person must file a signed copy of Appendix D or Appendix E with the Commission and deliver a copy to the designating party and all parties of record. Upon receipt of the signed Appendix, if there is no objection to the person to be qualified thereunder made under Paragraph 23, then Highly Confidential Information must be delivered to the person within five business days.

Objection to Access to Protected or Highly Confidential Information

23. All Qualified Persons have access to Protected Information and all HC Qualified Persons have access to Highly Confidential Information unless the designating party objects as provided in this paragraph. As soon as the designating party becomes aware of reasons to restrict access to a Qualified Person or HC Qualified Person, the designating party must provide the Qualified Person or HC Qualified Person and his or her counsel written notice stating the basis for the objection. The parties must promptly confer and attempt to resolve the dispute on an informal basis before requesting review by an ALJ. After receipt of the written notice of objection required by this paragraph, the specific Protected Information or Highly Confidential Information may not be disclosed to the Qualified Person or HC Qualified Person until the issue is resolved.

24. If the parties are unable to resolve the matter informally, the designating party must file a written objection with the ALJ. The requesting party may file a response to the motion within 5 business days of service of an objection. The ALJ will make all reasonable efforts to resolve the matter within 10 business days of the last filing. Pending the ALJ's decision, the specific Protected Information or Highly Confidential Information may not be disclosed to the person subject to the objection.

25. All Qualified Persons or HC Qualified Persons must take reasonable precautions to keep Protected Information and Highly Confidential Information secure. A Qualified Person or HC Qualified Person may reproduce Protected Information and Highly Confidential Information to the extent necessary to participate in these proceedings. Qualified Person or HC Qualified Person may discuss Protected Information or Highly Confidential Information obtained under this order only with other Qualified Persons or HC Qualified Persons who have obtained the same information. Disclosure of Protected Information or Highly Confidential Information for purposes of business competition is strictly prohibited.

26. Without the written permission of the designating party, any person given access to Protected Information and Highly Confidential Information under this order may not use or disclose such information for any purpose other than participation in this proceeding.
27. Nothing in this protective order precludes any party from independently seeking through discovery in any other administrative or judicial proceeding information or materials produced in this proceeding under this protective order.

Destruction after Proceeding

28. Counsel of record may retain memoranda, pleadings, testimony, discovery, or other documents containing Protected Information or Highly Confidential Information to the extent reasonably necessary to maintain a file of these proceedings or to comply with requirements imposed by another governmental agency or court order. The information retained may not be disclosed to any person. Any other person retaining Protected Information must destroy or return it to the designating party within 90 days after final resolution of these proceedings unless the designating party consents in writing to retention of the Protected Information. Any other person retaining Highly Confidential Information at the conclusion of this proceeding must return it to the designating party within 90 days after final resolution of these proceedings or must destroy the Highly Confidential Information and provide an affidavit to the designating party swearing that the Highly Confidential Information has been destroyed. This paragraph does not apply to the Commission or its Staff.

Duration of Protection
