Request for a General Rate Revision.

ALLIANCE OF WESTERN ENERGY  
CONSUMERS' MOTION TO FILE BRIEF  
ONE DAY OUT OF TIME

**Expedited Consideration Requested**

---

Alliance of Western Energy Consumers (“AWEC”) files this motion requesting to file its brief one day out of time. AWEC’s counsel is traveling overseas and because of the difference in time zones had the wrong date in his calendar. AWEC attempted to file the brief this morning, but it was rejected by the filing center. AWEC apologizes for the error, and the motion is not made with the intent to delay the proceeding or to respond to any arguments made in the closing briefs of the other parties.

AWEC reached out to the parties on AWEC’s motion. CUB and Staff do not object to AWEC’s request to file its brief out of time. NW Natural also does not object but is requesting an additional day to file its Closing Brief. AWEC does not object to NW Natural’s request for an additional day. As of the time of filing, the Coalition did not respond to AWEC on its position. AWEC respectfully requests expedited consideration of its motion.
