To: Docket No. UM 1610 Service List

On May 13, 2019, the Commission issued an order in this docket directing PacifiCorp to file within 60 days a revised schedule for Avoided Cost Purchases from Eligible Qualifying Facilities, and revised standard contract forms to be effective 30 days after the date of filing, "unless otherwise suspended by the Public Utility Commission of Oregon."

On July 12, 2019, PacifiCorp filed an Application for Approval of Compliance in this docket. The 30-day effective date for that compliance filing would be August 11, 2019, absent suspension by the Commission.

Staff has not yet brought a recommendation on the compliance to the Commission because Staff understands from discussions with PacifiCorp that a supplemental filing to correct an error is forthcoming. Staff sends this letter to notify parties of its expectation that the supplemental filing will reset the time period for evaluating compliance to 30 days. Our request is to suspend the effective date another 30 days to allow Staff to review PacifiCorp corrected filing.
