Investigation into Qualifying Facility
Contracting and Pricing.

COMMUNITY RENEWABLE ENERGY
ASSOCIATION AND RENEWABLE
ENERGY COALITION’S MOTION TO
MODIFY THE PROCEDURAL
SCHEDULE

The Community Renewable Energy Association and the Renewable Energy Coalition (jointly the “Joint QF Parties”) respectfully move to modify the procedural schedule in this docket.

The Joint QF Parties request to extend the due date for staff/intervenor testimony to April 10, 2017, and move to extend the due date for all parties’ response testimony to May 19, 2017. The remaining dates for the prehearing briefs and the hearing would remain unchanged. For clarity, the Joint QF Parties proposal is that the schedule be modified as follows:

Event	Current Schedule	Joint QF Parties’ Proposed Date
Staff/Intervenor Testimony	3/10/2017	4/10/2017
All Parties Response Testimony	4/21/2017	5/19/2017
Prehearing Briefs	6/16/2017	6/16/2017
Hearing	6/26/2017	6/26/2017

The Joint QF Parties request this modification because additional time is needed to complete discovery and investigation of issues related to PacifiCorp’s use of its transmission rights as it relates to the alternatives and costs available to address the load pocket issue

COALITION’S MOTION TO MODIFY THE PROCEDURAL SCHEDULE

PAGE 1

remaining in this docket in response to PacifiCorp's testimony. As noted above, this proposal does not require extension of the hearing date or prolong the overall duration of this proceeding.

The Joint QF Parties communicated this proposed modification to the procedural schedule to all parties to this proceeding via electronic mail or telephone on or before February 10, 2017, and requested that parties communicate any objections to the Joint QF Parties.

PacifiCorp and Staff communicated that they do not oppose this modification to the schedule.

No other parties expressed any objection to the Joint QF Parties.

Respectfully submitted on February 17, 2017,

RICHARDSON ADAMS, PLLC
