**In the Matter of**

**PUBLIC UTILITY COMMISSION  
OF OREGON,**

**Investigation Into Qualifying Facility  
Contracting and Pricing.**

**PORTLAND GENERAL ELECTRIC  
COMPANY's**

**MOTION FOR EXTENSION OF TIME**

Pursuant to OAR 860-001-0420 and 860-001-0090, Portland General Electric Company (“PGE”) hereby submits this motion for an extension of the deadline to file its revised avoided cost prices and the revised standard contract forms that set forth standard prices, terms and conditions consistent with the resolutions set forth in Order Nos. 14-058 and 14-114. Specifically, PGE requests that the time for making this compliance filing be extended from April 25, 2014, to May 30, 2014.

In support of this motion, PGE asserts the following:

1. Commission Order Nos. 14-058 and 14-114 require each electric utility to file, by April 25, 2014, an application containing its revised standard contract forms which “set forth standard prices, terms, and conditions that are consistent with the resolutions made in [that] order.” Additionally, each electric utility is required to file “revised avoided cost prices that implement the resolutions made in this order.”
2. Currently, PGE’s pricing group, which performs the work necessary for this filing, is understaffed by two analysts. PGE is in the process of hiring additional analysts and anticipates bringing them on board in early May. However, due to employee illness,

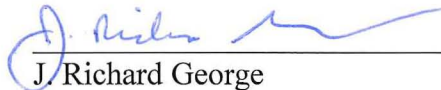

previously scheduled time off, and conflicting demands in other proceedings—  
particularly PGE’s current general rate case—PGE requests that the time to make its’  
compliance filing be extended to May 30, 2014.

For the reasons stated above, PGE moves the Commission for an Order extending the  
compliance filing deadline to May 30, 2014.

DATED this 9 day of April, 2014.

Respectfully submitted,

PORTLAND GENERAL ELECTRIC COMPANY
