Re: *In the Matter of PUBLIC UTILITY COMMISSION OF OREGON Investigation into  
Qualifying Facility Contracting and Pricing*  
OPUC Docket No.: UM 1610  
DOJ File No.: 860115-GB0532-12

Enclosed please find an errata to the Motion to Admit Stipulations and Motion for Extension of Time to File Supporting Briefs filed on February 19, 2015. The corrected page omits the second sentence of footnote one on page two of the motion. In that footnote, Staff incorrectly reported that the Small Business Utility Advocates (SBUA) did not intend to object to the substantive Stipulation.

Staff does not know whether SBUA will object to the substantive Stipulation. It is possible that SBUA will do so.

Sincerely,

Stephanie S. Andrus  
Senior Assistant Attorney General  
Business Activities Section

Enclosures

1 consideration of four issues to Phase II. On September 29, 2014, Administrative Law Judges  
2 (ALJs) Kirkpatrick and Pines issued a memorandum establishing the procedural schedule for  
3 Phase II of Docket No. UM 1610, which included a December 5, 2014 due date for proposed  
4 issues. On December 4, 2014, ALJ Pines granted Staff's request for additional time to finalize  
5 and file stipulations among several parties addressing the Phase II Issues List and some  
6 substantive issues. ALJ Pines granted Staff's January 12, 2015 request for another extension of  
7 the time in which to submit the stipulations and to suspend the remainder of the procedural  
8 schedule. Under ALJ Pines' January 12, 2015 ruling, parties had until February 17, 2015, to  
9 submit their stipulations to ask the ALJs to add issues to the Phase II Issues list. Staff asked for  
10 an additional one-day extension of this date on February 17, 2015, and another one-day  
11 extension on February 18, 2015.

12 The Stipulating Parties met on October 14 and 28, November 18, 2014, and February 5,  
13 2015, to determine whether they could agree on what issues should be considered in Phase II and  
14 whether they could agree on the merits of any of these issues.

## 15 **II. Stipulations**

16 The first stipulation, the Stipulation re: Issues List, is an agreement to ask the Commission to  
17 consider five additional contested issues in Phase II. The second, the Stipulation, is an  
18 agreement to a number of substantive issues. The parties to the stipulations are Staff of the  
19 Public Utility Commission of Oregon (Staff), Portland General Electric Company (PGE),  
20 PacifiCorp, Idaho Power Company (Idaho Power), One Energy, Inc., Obsidian Renewables LLC  
21 (Obsidian), the Community Renewable Energy Association (CREA), the Renewable Energy  
22 Coalition (REC), and the Oregon Department of Energy (ODOE), and Small Business Utility  
23 Advocates (SBUA).<sup>1</sup>

24

25

---

26 <sup>1</sup> SBUA did not enter into the substantive Stipulation.
