Pursuant to OAR §§ 860-001-0390(2)(b) and 860-001-0420(1), Gardner Capital Solar Development, LLC (“Gardner Solar”) moves the Administrative Law Judges (“ALJ”) to grant a one day extension for filing its Response to Idaho Power’s Motion for Clarification. Unexpected travel issues have created conflicts in completing the filing and have prevented Gardner Solar from seeking other party’s input before filing this request. Gardner Solar expects to be able to file its Response tomorrow. Gardner Solar would not object to a one day extension for Idaho’s Power’s reply.

Due to the emergency nature of this request, Gardner Solar requests waiver of OAR § 860-001-0420(2), which requires that the moving party make a good faith effort to confer with other parties to seek agreement about the subject of a procedural motion. Gardner Solar has not had an opportunity to consult with the other parties in this docket regarding its request for this one day extension.

Dated this 16th day of July, 2015.
