Thanks, Mark. I will treat this email as Staff's motion for requested schedule changes and Candice will docket it. I will discuss the dates with the Commissioners and issue a scheduling memorandum next week.

Hi Sarah,

Here is my revised proposed schedule for RVOS UM 1716, 1910, 1911, 1912. I have run these dates by all of the stakeholders, and the only conflicts I have heard back is Idaho Power is unavailable on 2/27 and PacifiCorp would like the April hearing on RVOS filings to be as early in the month as possible. Hopefully 4/9 works out. Please let me know if you have any questions or concerns.

Thanks!
