Compliance Report.

**PACIFICORP’S MOTION FOR  
PROTECTIVE ORDER**

Under Oregon Rule of Civil Procedure (ORCP) 36(C)(7) and OAR 860-001-0080(1), PacifiCorp d/b/a Pacific Power (PacifiCorp or Company) moves the Public Utility Commission of Oregon (Commission) for entry of a standard protective order in this proceeding. See also *In re Investigation into the Cost of Providing Telecommunication Service*, Docket No. UM 351, Order No. 91-500 (1991) (recognizing that protective orders are a reasonable means to protect “the rights of a party to trade secrets and other confidential commercial information” and “to facilitate the communication of information between litigants”).

electric power, power services, or fuel. PacifiCorp will be exposed to competitive injury if it is forced to make unrestricted disclosure of its confidential business information.

It is also substantially likely that the parties to these proceedings will seek to discover further information held by PacifiCorp, including confidential business information. Issuance of a protective order will facilitate the production of relevant information and expedite the discovery process.

For these reasons, PacifiCorp respectfully requests that the Commission enter its standard protective order in this docket.

Respectfully submitted this 1<sup>st</sup> day of June, 2018.
