PacifiCorp Expedited Motion to Extend
Deadline for Cost Cap Reply Briefs

I. MOTION

In accordance with OAR 860-001-0420, PacifiCorp d/b/a Pacific Power respectfully requests the Public Utility Commission Oregon extend the current September 11, 2025, deadline to submit reply comments on cost cap issues in this proceeding, to a Commission-determined date the week of September 29, 2025. PacifiCorp requests an extension of the current deadline to adequately respond to the cost cap questions presented in the Commission’s September 2, 2025 Memorandum. PacifiCorp also requests a Commission decision on these cost cap issues before the end of 2025, to inform PacifiCorp’s current procurement efforts. Because the reply comments would otherwise be due prior to a typical briefing schedule on a procedural motion, PacifiCorp requests expedited consideration of this Motion.

PacifiCorp sought to confer with all parties of record in this proceeding. As of the date of filing, PacifiCorp is not aware of any objection to the proposed motion; NIPPC, AWEC, and CRITFC do not object; and it is supported by NewSun, Portland General Electric, the Oregon Citizens Utility Board, and Renewable Northwest.

Respectfully submitted September 4, 2025,

/s/ Zachary Rogala
Assistant General Counsel
