In the Matter of

GOVERNMENT CAMP WATER
COMPANY,

Request for a General Rate Revision

**GOVERNMENT CAMP WATER
COMPANY'S UNOPPOSED
MOTION TO SUSPEND
PROCEDURAL SCHEDULE**

Expedited Consideration Requested

Pursuant to OAR 860-001-0420(2) and OAR 860-001-0420(6), Government Camp Water Company ("Company") asks that the Administrative Law Judge ("ALJ") issue a ruling suspending the procedural schedule in this docket to allow opportunity for the parties to finalize and execute a stipulation. All current parties to this proceeding, including the Company and Staff of the Public Utility Commission of Oregon ("Staff"), have reached a settlement in principle on all issues in this case. Because a settlement has been reached in principle, the Company requests that the remaining schedule in this case be suspended. The Company further requests that the ALJ suspend the October 19, 2018 date for Staff's reply to the comments submitted by Alpenglade Park Property Owners' Association ("Association").¹

If the Association does not petition to intervene by the date indicated in ALJ Power's Memorandum issued on September 26, 2018, the parties will address how the stipulation addresses the Association's comments in their testimony filed in support of the stipulation. If the Association does petition to intervene by the date noted in that Memorandum, the Company and Staff plan to share the terms of the stipulation with the Association as a party to the proceeding

¹ On August 31, 2018, ALJ Arlow issued a ruling on behalf of ALJ Power extending the deadline for Staff's Rebuttal Testimony from October 19, 2018, to October 26, 2018. If for any reason the ALJ does not grant this motion to suspend the remaining procedural schedule, the Company respectfully requests in the alternative that the ALJ clarify that Staff's reply to the Association is also due on October 26, 2018 and not October 19, 2018.

for its consideration before filing the stipulation and supporting testimony. The Company and Staff plan to file a stipulation and supporting testimony by November 9, 2018.

The Company further requests expedited consideration of this motion, as the Company's Reply Testimony is currently due October 5, 2018. Counsel for the Company has conferred with Counsel for Staff regarding this motion and Staff supports this motion. Because Staff supports this motion and no parties have intervened in this case, the Company believes no time for response is necessary for this motion.

DATED this 3rd day of October, 2018.
