I, David Glennie, am requesting a waiver of OAR 860-001-0010(2) to allow Zach Bendt to be my representative in UW 209 and access confidential information as part of his role as my representative. I am an Intervenor in this case and a customer of Hiland Water and Illahe Hills Water.

Mr. Bendt's role shall be limited to assisting me in navigating the Huddle information system and organizing entries to assist in my research. Sunstone Utilities has withdrawn their objection to Mr. Bendt representing me under these circumstances.

Please contact me if additional information is required.
