	)	<b>NW Energy Coalition</b>

The NW Energy Coalition (NWECC) hereby petitions to intervene in the above-referenced proceedings as an intervenor party pursuant to OAR 860-13-021. In support of this Petition to Intervene, NWECC asserts the following:

A. NWECC's business address is:

219 First Ave. S., Suite 100  
Seattle, WA 98104

B. NWECC will be represented by Sr. Policy Associate Steven Weiss who is designated for service of all documents at the following address:

Steven Weiss	Phone: 503 851-4054
4422 Oregon Trail Ct. NE	
Salem, OR 97305	Steve@nwenergy.org

C. NWECC is a private, non-profit alliance of more than 100 consumer groups, low-income action agencies and advocacy organizations, good-government groups, environmental organizations and progressive utilities. For the past 23 years, NWECC has promoted equity in ratemaking, and advocated for cost-effective conservation and renewable energy resources, accounting for environmental costs in resource choices, ensuring fair access to NW resources, and actively engaging the public in energy decision making. NWECC's membership draws from the four Northwest states, California and British Columbia.

D. Besides representing many ratepayers in Oregon, NWECC has special interests in these proceedings in ensuring that PacifiCorp's resource choices best serve the interests of ratepayers especially those with limited incomes, and contribute to improvements in the environment.

NWECC's involvement will not unreasonably broaden the issues, burden the record nor delay the proceeding. We offer this process considerable expertise in the area of resource planning and industry restructuring. For the reasons stated above, NWECC respectfully requests that it be allowed to intervene in this matter.

Dated this eighteenth day of March, 2005

Respectfully submitted,

---

Steven Weiss,  
Senior Policy Associate,  
NW Energy Coalition
