C. **NWECC waives paper service.**

D. NWECC is a private, non-profit alliance of more than 100 consumer groups, low-income action agencies and advocacy organizations, good-government groups, environmental organizations, unions and progressive utilities. For the past 28 years, NWECC has advocated for cost-effective conservation, accounting for environmental costs in resource choices, and engagement of the public in energy decision making.

E. Besides representing many of PGE'S Oregon customers, NWECC has special interests in this proceeding in ensuring that PGE'S IRP contributes environmental improvements.

NWECC's involvement will not unreasonably broaden the issues, burden the record nor delay the proceeding. For the reasons stated above, NWECC respectfully requests that it be allowed to intervene in this matter.

Respectfully submitted,

Steven Weiss,
Senior Policy Associate,
