BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON

LC 57

In the Matter of
PACIFICORP, dba Pacific Power,
2013 Integrated Resource Plan.

**IDAHO POWER COMPANY'S PETITION
TO INTERVENE
and Waiver of Paper Service**

Pursuant to ORS 756.525 and OAR 860-001-0300, Idaho Power Company ("Idaho Power" or "Company") petitions the Public Utility Commission of Oregon (the "Commission") to intervene in this proceeding with full party status. In support of this petition, Idaho Power states:

1.

Idaho Power is an electric public utility operating in the state of Oregon and is subject to the supervision and regulation of the Commission.

2.

The name and address of the Company are:

Idaho Power Company
PO Box 70
Boise, ID 83707

3.

Idaho Power wishes to waive paper service in this docket. Communications to Idaho Power concerning this proceeding should be addressed to:

4.

Idaho Power has a direct and substantial interest in this proceeding because Idaho Power and PacifiCorp are co-owners of the Jim Bridger power plant. The same environmental control investments that were included in the Near Term Action Plan in Idaho Power's 2011 Integrated Resource Plan Update are also at issue in LC 57.¹ Idaho Power has experience with Commission investigations. Idaho Power's participation in this docket could assist the Commission in resolving the issues. Idaho Power will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceedings.

5.

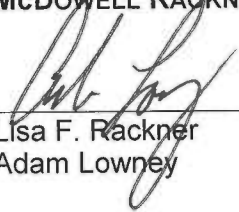

Because no other party can adequately represent Idaho Power's interests in this proceeding, Idaho Power respectfully requests that the Commission grant this Petition to Intervene.

¹ The 2011 Integrated Resource Plan Update was filed on February 14, 2013. Idaho Power requested acknowledgement of the revised action plan items. Citing these shared investments, the Commission suspended the review of Idaho Power's 2011 Integrated Resource Plan Update so that it can review the investments in LC 57 prior to, or at least simultaneous with, the review in Idaho Power's docket.
