Sierra Club's 1.3 million members nationwide are dedicated to the protection and preservation of the natural and human environment, including protecting public health. 4. The nature and extent of the Petitioner's interest in the proceeding is:

Sierra Club has a substantial interest in this docket. Its members seek to advance energy development and resource procurement policies in Oregon that recognize the benefits of appropriately-sited, low-emission electricity generating resources for Oregon's economy and the health and well being of its citizens and natural environment. Sierra Club is concerned that aspects of PacifiCorp's Integrated Resource Plan would increase pollution - including emissions of greenhouse gases - into the atmosphere, thus exacerbating the environmental and human health impacts already harming its members' interests. Petitioner's members in Oregon seek to promote clean energy alternatives to fossil fuels, such as wind, solar, and geothermal energy, so as to protect public health and Oregon's unique ecosystems.

5. The issues the Petitioner intends to raise at the proceeding are:

Sierra Club intends to review PacifiCorp's investments in renewable energy and its fleet of coal-fired power plants.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

Sierra Club has special expertise in the realm of environmental regulatory compliance and the viability of responsible deployment of clean energy alternatives. With staff and volunteers in PacifiCorp's multi-state territory, Sierra Club can provide knowledge and experience regarding viable energy solutions for clean air and clean water in the region. Additionally, Sierra Club has experience intervening in similar dockets before the Commission, including the PacifiCorp's 2011 Integrated Resource Plan docket (Docket No. LC 52) and 2012 General Rate Revision docket (Docket No. UE 246).

7. Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
