4. The nature and extent of the Petitioner's interest in the proceeding is:

The petitioners own land that is to be impacted by the proposed Boardman to Hemmingway Transmission Line and have been notified of condemnation of our property and roads to be built across it. We have knowledge of alternative access points that Idaho Power could use to access their proposed line and are interested in protecting our farmland, crops, grazing land, house and lifestyle from being damage permanently and unnecessarily.

5. The issues the Petitioner intends to raise at the proceeding are:

Since the docket and protective order are unknowns at this time, we have been told we need to file at petition to intervene in order to be allowed to participate in the docket and the protective order.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

We have knowledge of the route of the proposed B2H Transmission line in our vicinity and would seek to be allowed to speak to protect our private property from unnecessary and harmful damage.

7. Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
