4. The nature and extent of the Petitioner's interest in the proceeding is:

The Petitioner owns land that is to be heavily impacted by the proposed Boardman to Hemmingway Transmission Line. I have been notified of condemnation of my property and intent to build roads across it. I am interested in protecting my home, timber, grazing land and peaceful lifestyle from being permanently damaged by this unnecessary project.

5. The issues the Petitioner intends to raise at the proceeding are:

The loss of peace and tranquility in the sanctuary I have established for my health issues while owning and developing the land for 48 years. Additionally, I want to address corona noise and electromagnetic radiation from the lines, noxious weeds, wildfire risks, destruction of viewshed, loss of hunting opportunities and wildlife presence. Finding and relocating to a new home in the last years of my life.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

I have lived in La Grande and the Grand Ronde Valley for 67 years. I have knowledge of wildfire impacts, noxious weed spread and control, rare plant and wildlife habitat that exists in and around my land and Union County.

7. Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
